

The **chem-rsc** bibliography style for **biblatex***

Joseph Wright[†]

Released 2018/01/24

This package provides a style for **biblatex** which follows the guidelines of Royal Society of Chemistry. The citation style is numeric and unsorted. The bibliography style follows the pattern of the layout used in the journal *Chemical Communications*. The style should be loaded in the usual way

```
\usepackage[style=chem-rsc]{biblatex}
```

The References section of this document demonstrates the format generated by the package using the **biblatex-chem.bib** database of example records.
